Regarding: Annual Reminder on Florida Laws for Public Officials

Date: April 2024

I. Code of Ethics Reminders

a. "GIFTS LAW"

-BENEFIT TO YOU: public officials are prohibited from accepting or asking for <u>anything of value</u> based upon an understanding that such thing will influence the official's vote, official action or judgment. Section 112.313(2), *Florida Statutes*.

-BENEFIT TO SPOUSE/MINOR CHILDREN: a public official, their spouse and minor children are prohibited from accepting anything of value when the public official knows, or under the circumstances should know, that it was given to influence a vote or other official action of the public official. Section 112.313(4), *Florida Statutes*.

-DISCLOSURE DUTY: a public official must disclose gifts with a value of more than \$100 to the Commission on Ethics (on Form 9) unless the gift is from a relative or unless the public official pays the donor an amount to reduce the value of the gift to \$100 or less within 90 days of receiving the gift. Section 112.3148(8)(a), *Florida Statutes*.

b. MISUSE OF PUBLIC POSITION

-No public official shall corruptly¹ use or attempt to use his/her official position or any property or resource which may be within his or her trust, or perform his or her official duties, to secure a special privilege, benefit or exemption for himself/herself, or others. Section 112.313(6), *Florida Statutes*.

-Recent examples: (1) Florida Commission on Ethics found probable cause to believe that a CDD Supervisor misused her public position by using her official CDD email account to send an email

¹ "Corruptly" "means done with a wrongful intent and for the purpose of obtaining, or compensating or receiving compensation for, any benefit resulting from some act or omission of a public servant which is inconsistent with the proper performance of his or her public duties." *See* Section 112.312(9), *Florida Statutes*.

endorsing her preferred candidates for the upcoming homeowners association election; and (2) Florida Commission on Ethics opined that use of City business cards by City Commissioners and a City Mayor for private promotion or gain creates a prohibited conflict of interest under Section 112.313(6), *Florida Statutes*.

c. VOTING CONFLICTS

-A public officer must <u>not</u> vote on any measure which would (1) **result in his/her special private gain or loss**; or (2) which the officer knows would result in a special private gain or loss to:

- i. a principal² by whom the officer is retained³;
- ii. a parent organization or subsidiary of a corporate principal by whom the officer is retained; iii. a relative (parents, children, spouse, sibling, mother/father-in-law, son/daughter-in-law); and
- iv. a business associate (pursuing common commercial/business pursuit for profit and such pursuit is current and ongoing). Example: business partner.

-If you have a voting conflict you should: (1) consult with your CDD's counsel and/or your CDD's District Manager; (2) disclose your conflict⁴; and (3) submit the Commission on Ethics Form 8B within 15 days after the vote occurs to your District Manager so that the form can be incorporated into the minutes.

II. Quorum & Sunshine Law Reminders

a. QUORUM

-A majority of the Board of Supervisors must be physically present in order for the Board to take any official action.

-Participation by telephone: Participation by physical presence at Board meetings is expected under the Sunshine law. However, when a quorum of the Board is physically present, a Supervisor may participate by telephone only if the Supervisor's absence is due to an extraordinary circumstance such as an illness. In the event a Supervisor participates by telephone, the Supervisor must vote on every action unless a voting conflict exists. Likewise, if a Supervisor is participating in person, the Supervisor must vote on every action unless a voting conflict exists.

² According to the Commission on Ethics, a "principal" excludes a "government agency" and includes: (1) an employer; (2) a client of a legal, accounting, insurance or other professional practice; and (3) a corporation for which the officer serves as a compensated director.

³ Generally speaking, a "principal by whom retained" means for compensation, consideration or similar thing of value. *See* Section 112.3143(1)(a), *Florida Statutes* for the full definition.

⁴ Although there may be a slight difference on timing and procedure for disclosure of a voting conflict for "<u>Elected Officers</u>" vs. "<u>Appointed Officers</u>," it is recommended that the conflict be disclosed prior to <u>any</u> discussion on the matter. Further, we caution that discussions on items on which a Supervisor has a voting conflict could potentially be challenged as a violation of the "Misuse of Public Position" rule in Section 112.313(6), *Florida Statutes*, if the discussion is seen as persuasion or an attempt to influence the Board's position to secure a special benefit for the Supervisor or others. If you have any questions, please contact counsel to discuss.

LATHAM, LUNA, EDEN & BEAUDINE, LLP

April 2024 Page 3

b. SUNSHINE LAW

-Outside of a Board of Supervisors meetings, two or more members of the Board <u>must not</u> discuss any matter on which foreseeable action will be taken by the Board. This applies to in-person, "liaison" and "virtual" discussions, including text messages, emails, telephone calls, online postings (social media) and any other means of communication. Failure to abide to this rule constitutes a Sunshine law violation.

-Best practices: (1) utilize Board meetings for discussions with other Supervisors; (2) refrain from posting about CDD business online and responding/reacting to matters online related to CDD business.

III. Public Records Reminders

-Chapter 119, *Florida Statutes* & the Florida Constitution (Article 1, Section 24) guarantees the public a right to access government records.

-Includes <u>all materials</u> (i.e., documents, emails, **TEXT MESSAGES**, sound recordings, films, maps, books, photographs, tapes, etc.) made or received in connection with the official business of the CDD.

-You are required to keep records for the time period set by the Division of Library Information Services of the Florida Department of State.⁵ For example, correspondence and memoranda that are associated with administrative practices or routine issues (but do not create a policy/procedure, document the business of a particular program or act as a receipt) are required to be retained for **3 fiscal years**.⁶ Correspondence and memoranda that document policy development, decision-making, or substantive programmatic issues, procedures or activities are required to be retained for **5 fiscal years**. For more information on the retention and disposition of records, please contact your CDD's District Manager.

-Exceptions are very limited. Examples of exemptions: (1) materials related to security and/or fire safety of a facility (including video surveillance and security details); and (2) materials related to active criminal investigations.

-Best Practices: (1) in-person or telephone discussions (except with other Board members); (2) use or create a separate email account for CDD related materials; (3) avoid posting on social media about CDD business (posts can be removed/edited by users and website controller); and (4) avoid using text/social media messaging as they generally cannot be saved.

⁵ The Records Schedule is accessible at the following URL: https://files.floridados.gov/media/706717/gs1-sl-june-2023.pdf.

⁶ October 1st through September 30th.
