# MINUTES

# MINUTES OF MEETING OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT

A regular meeting of the Board of Supervisors of the Old Hickory Community Development District was held Monday, July 15, 2024 at 10:00 a.m. at the Oasis Club at ChampionsGate 1520 Oasis Club Blvd. ChampionsGate, FL.

Present and constituting a quorum were:

Lane Register by phone	Chairman
Adam Morgan	Vice Chairman
Rob Bonin	Assistant Secretary
Jarred Cornell	Assistant Secretary
Kathryn Farr by phone	Assistant Secretary
Also present were:	
George Flint	District Manager
Kristen Trucco by phone	District Counsel
Dave Reid by phone	District Engineer
Alan Scheerer	Field Manager

## FIRST ORDER OF BUSINESS Roll Call

Mr. Flint called the meeting to order and called the roll. There were three Board members present in person constituting a quorum. Ms. Farr and Mr. Register joined by phone.

# SECOND ORDER OF BUSINESS Public Comment Period

Mr. Flint noted they just have Board members and staff present at the meeting.

# THIRD ORDER OF BUSINESSApproval of Minutes of the June 17, 2024<br/>Meeting

Mr. Flint presented the June 17, 2024, meeting minutes and asked for any comments or corrections from the Board. The Board had no changes to the minutes.

On MOTION by Mr. Morgan, seconded by Mr. Cornell, with all in favor, the Minutes of the June 17, 2024, Meeting, were approved.

# FOURTH ORDER OF BUSINESS Staff Reports

# A. Attorney

Ms. Trucco stated that they completed the inventory of the platted tracts versus tracts that have been conveyed to the CDD by deed. It has been sent to the developer team for review, and they will call us when they review it. There may be an additional resolution for some clean up conveyances, and they are also asking the developer to sign an acknowledgement stating that if there were tracts that were conveyed to the CDD, but the plat stated they would be to the HOA, we have an acknowledgement from the developer and ideally the engineer, that those conveyances are the intended conveyances and consistent with the plans of the CDD.

# **B.** Engineer

# i. Presentation of Annual Engineer's Report

Mr. Reid stated that they had the inspection last month and everything looked good. He has a summary of all the maintenance maps with added control structures and a couple minor maintenance items.

# ii. Discussion of Pending Platt Conveyances

# iii. Status of Permit Transfers

Mr. Reid stated Mr. Register is signing the permit transfer now to be able to send it to South Florida.

# C. District Manager's Report

# i. Approval of Check Register

Mr. Flint presented the check register for the General Fund and payroll for \$27,035.88. He asked for any questions on the check register.

On MOTION by Mr. Morgan, seconded by Mr. Cornell, with all in favor, the Check Register, was approved.

# ii. Balance Sheet and Income Statement

Mr. Flint presented the unaudited financials through the end of May. He asked for any questions to discuss. Hearing no questions, the next item followed.

# D. Field Manager's Report

Mr. Scheerer noted there is another HOA Board member reached out to him, and he has a meeting with them on Friday afternoon. They want to see colored spotlights on the palm trees at

the two entrances, as well as redoing some landscaping and painting their playground. They said they are willing to help pay for it.

# FIFTH ORDER OF BUSINESS Other Business

There being no comments, the next item followed.

# SIXTH ORDER OF BUSINESS

There being no comments, the next item followed.

# SEVENTH ORDER OF BUSINESS Adjournment

On MOTION by Mr. Morgan, seconded by Mr. Cornell, with all in favor, the meeting was adjourned.

Secretary/Assistant Secretary

Chairman/Vice Chairman

**Supervisor's Requests** 

# SECTION IV

## AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES

THIS AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES (the "Agreement"), is made and entered into and effective as of , 2024, by and between the OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, whose mailing address is c/o Governmental Management Services - Central Florida, LLC, 219 E. Livingston Street, Orlando, Florida, 32801 (the "District"). and DEWBERRY ENGINEERS, INC., a Florida corporation, whose principal address is 8401 Arlington Blvd., Suite 1, Fairfax, Virginia 22031 (the "Engineer").

## WITNESSETH:

WHEREAS, the District is a local unit of special-purpose government established pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, *Florida Statutes* (the "Act"), by Osceola County (the "County");

**WHEREAS**, the District is authorized to plan, finance, construct, install, acquire and/or maintain improvements, facilities and services in conjunction with the development of the lands within the District;

WHEREAS, pursuant to Chapter 190, *Florida Statutes*, and Section 287.055, *Florida Statutes*, the District solicited proposals from qualified engineering firms to provide professional engineering services on a continuing basis to the District and the District's Board of Supervisors (the "Board") selected the Engineer;

WHEREAS, the District intends to employ the Engineer to perform engineering, surveying, planning, landscaping, construction administration, environmental management, permitting and financial and economic studies, and other services defined by separate Work Authorizations as applicable; and

**WHEREAS**, the Engineer serves as the District's professional representative in each service or project to which this Agreement applies and will give consultation and advice to the District during the performance of its services.

**NOW, THEREFORE**, for and in consideration of the mutual covenants herein contained the acts and deeds to be performed by the parties, and the payments by the District to the Engineer of the sums of money herein specified, it is mutually covenanted and agreed as follows:

- 1. <u>Scope of Services</u>.
- (a) The Engineer will provide general engineering services including:
  - 1. Preparation and presentation of any necessary or desirable reports and applications.

- 2. Attendance by Rey Malavé, PE, or such other representative of Engineer approved by the District Manager or Chairman, at meetings of the District's Board, upon request by the District Manager or Chairman.
- 3. Meeting, negotiating and/or communicating with necessary parties to effectuate the issuance of bonds, production of special reports, feasibility studies or the completion of other tasks, or the coordination and completion of capital improvement or maintenance projects.
- 4. Professional administration, consultations and/or opinions concerning capital improvements, property or maintenance projects or tasks within the District (including but not limited to: work related to water management system, master utilities, preserved wetlands, roadways, amenity facilities, golf facilities, park facilities and any other public improvement authorized by Chapter 190, *Florida Statutes*).
- 5. Performance of any other duties related to the provision of infrastructure and services as requested by the District's Board.

(b) In connection with any capital improvement projects of the District, the Engineer shall prepare (or cause to be prepared) or review construction drawings and specifications applicable to the type of work being undertaken. In these instances, the Engineer's duties will also include rendering assistance in the drafting of forms, proposals/bids and contracts, issuance of certificates of construction, completion and payment, assisting with and/or supervising the bidding processes, and any other activity required by the District's Board.

(c) The Engineer shall, when requested by the District's Board, provide general services during the construction phase of certain projects including, but not limited to:

- 1. Periodic visits to the site or full-time construction management services, as directed by the District.
- 2. Processing of contractors' pay estimates.
- 3. Final inspection and requested certificates for construction including the final certification of construction, and certification of readiness for conveyances to the District in accordance with the development plans for the District.
- 4. Consultation and advice during construction, including performing all roles and actions required of any construction contract between the District and any contractor(s) in which Engineer is named as District's representative or "Engineer."
- 5. Any other activity related to construction as authorized/directed by the District's Board.

(d) With respect to the maintenance of District facilities or improvements, the Engineer shall render such services as authorized in writing by the District. The Engineer shall also perform engineering, surveying, planning, landscaping, construction administration, environmental management, permitting and financial and economic studies, as defined and directed by the District and separate Work Authorizations, as applicable.

(e) Engineer attests to the accuracy of all statements made in the proposal submitted to the District attached hereto as <u>Exhibit "A."</u> In the event of any conflict between the terms herein and the terms in any exhibit attached hereto, the terms herein shall control.

2. <u>Method of Authorization</u>. Each additional service or project not specified in Paragraph 1 herein shall be authorized in writing by the District. Such written authorization shall be incorporated in a "Work Authorization" or proposal which shall include the scope of work, compensation, project schedule, and special provisions or conditions specific to the service or project being authorized (the "Work Authorization"). Every Work Authorization authorized by the District is subject to the terms herein and Work Authorizations shall be at the sole option of the District.

3. <u>Compensation</u>. It is understood and agreed that the payment of compensation for services under this Agreement shall be stipulated in each Work Authorization and/or per the hourly compensation rates outlined in <u>Exhibit "B"</u> attached hereto. In the event of any conflict between the terms herein and the terms in any exhibit attached hereto, the terms herein shall control.

4. <u>Reimbursable Expenses</u>. Reimbursable expenses consist of actual expenditures, without mark-up or multiplier, made by the Engineer, its employees, or its consultants in the interest of the project and include the incidental costs listed as follows:

(a) Expenses of transportation and living when traveling in connection with a project, for long distance calls and facsimiles, and for fees paid for securing approval of authorities having jurisdiction over the project. All expenditures shall be made in accordance with Chapter 112, *Florida Statutes*, and with the District's travel policy.

(b) Expense of reproduction, acquisition, postage and handling of drawings and specifications.

5. <u>Special Consultants and Subcontractors</u>. When authorized in writing by the District, additional special consulting services may be utilized by Engineer and paid for on a cost basis without mark-up or multiplier. If the Engineer desires to employ subcontractors in connection with the performance of its services under this Agreement:

(a) Engineer shall obtain written consent of the District's Board and nothing contained in the Agreement shall create any contractual relationship between the District and any subcontractor; however, it is acknowledged that the District is an intended third-party beneficiary

of the obligations of the subcontractors related to the services performed pursuant to this Agreement.

(b) Engineer shall coordinate the services of any subcontractors and remain fully responsible under the terms of this Agreement; Engineer shall be and remain responsible for the quality, timeliness and coordinate of all services furnished by the Engineer and/or its subcontractors.

(c) All subcontracts shall be written. Each subcontract shall contain a reference to this Agreement and shall incorporate the terms and condition of this Agreement to the full extent applicable to the portion of the services covered thereby. Each subcontractor must agree, for the benefit of the District, to be bound by such terms and conditions.

6. <u>Books and Records</u>. Subject to any longer time periods required under Paragraph 16 herein, Engineer shall maintain comprehensive books and records relating to any services performed under this Agreement for a period of at least four (4) years from and after the completion of any such services. The District, or its authorized representative, shall have the right to audit such books and records at all reasonable times upon prior notice to Engineer.

# 7. <u>Ownership of Documents</u>.

(a) All rights in and title to all plans, drawings, specifications, ideas, concepts, designs, sketches, models, programs, software, creations, inventions, reports, or other tangible work product originally developed by Engineer pursuant to this Agreement (the "Work Product") shall be and remain the sole and exclusive property of the District when developed and shall be considered work for hire.

(b) The Engineer shall deliver all Work Product to the District upon completion thereof unless it is necessary for Engineer, in the District's sole discretion, to retain possession for a longer period of time. Upon early termination of Engineer's services hereunder, Engineer shall deliver all such Work Product whether complete or not. The District shall have all rights to use any and all Work Product. Engineer shall retain copies of the Work Product for its permanent records, provided the Work Product is not used without the District's prior express written consent. Engineer agrees not to recreate any Work Product contemplated by this Agreement, or portions thereof, which if constructed or otherwise materialized, would be reasonably identifiable with the District's project. If said work product is used by the District for any purpose other than that purpose which is intended by this Agreement, the District shall indemnify Engineer from any and all claims and liabilities which may result from such re-use, in the event Engineer does not consent to such use.

(c) The District exclusively retains all manufacturing rights to all materials or designs developed under this Agreement. To the extent the services performed under this Agreement produce or include copyrightable or patentable materials or designs, such materials or designs are work made for hire for the District as the author, creator, or inventor thereof upon creation, and the District shall have all rights therein including, without limitation, the right of reproduction, with respect to such work. Engineer hereby assigns to the District any and all rights Engineer

may have including, without limitation, the copyright, with respect to such work. The Engineer acknowledges that the District is the motivating factor for, and for the purpose of copyright or patent, has the right to direct and supervise the preparation of such copyrightable or patentable materials or designs.

8. <u>Accounting Records</u>. Records of the Engineer pertaining to the services provided hereunder shall be kept on a basis of generally accepted accounting principles and shall be available to the District or its authorized representative for observation or audit at mutually agreeable times.

9. Estimate of Cost. Since the Engineer has no control over the cost of labor, materials or equipment or over a contractor's(s') methods of determining prices, or over competitive bidding or market conditions, his opinions of probable cost provided as a service hereunder are to be made on the basis of his experience and qualifications and represent his best judgment as a design professional familiar with the construction industry but Engineer cannot and does not guarantee that proposals, bids, or the construction costs will not vary from opinions of probable cost prepared by him or her. If the District wishes greater assurance as to the construction costs, it shall employ an independent cost estimator at its own expense. Services to modify approved documents to bring the construction cost within any limitation established by the District will be considered additional services and justify additional fees.

10. <u>Insurance</u>. The Engineer shall, at its own expense, maintain insurance during the performance of its services under this Agreement, with limits of liability not less than the following:

Workers Compensation:	Statutory Requirements
General Liability Bodily Injury (including contractual): Property Damage (including contractual):	\$1,000,000/\$2,000,000 \$1,000,000/\$2,000,000
Automobile Liability (if applicable): Bodily Injury Property Damage	\$1,000,000 combined single limit
Professional Liability for Errors/Omissions:	\$1,000,000

The Engineer shall provide District with a certificate evidencing compliance with the above terms and coverage and naming the District, its supervisors, staff, agents, officers and employees as additional insureds. Engineer shall provide the District with thirty (30) days' written notice of cancellation or modification of the policy. At no time shall Engineer be without insurance coverage in the above amounts.

11. <u>Engineer's Employees; Independent Contractor Status of Engineer</u>. All matters pertaining to the employment, supervision, compensation, promotion and discharge of any employees of entities retained by Engineer are the sole responsibility of Engineer. Engineer

shall fully comply with all applicable acts and regulations having to do with workman's compensation, social security, unemployment insurance, hours of labor, wages, working conditions and other employer-employee related subjects. The Engineer agrees that it shall bear the responsibility for verifying the employment status, under the Immigration Reform and Control Act of 1986, of all persons it employs in the performance of this Agreement.

In performing any services hereunder, Engineer shall be an independent contractor and not an employee of the District. It is further acknowledged that nothing herein shall be deemed to create or establish a partnership or joint venture between the District and Engineer. Engineer has no authority to enter into any contracts or agreements, whether oral or written, on behalf of the District without the District's Board's direction to the Engineer to specifically enter into such contracts or agreements.

12. <u>Contingent Fee</u>. The Engineer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Engineer, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Engineer, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

13. <u>Audit</u>. The Engineer agrees that the District or any of its duly authorized representatives shall, until the expiration of four years after expenditure of funds under this Agreement, have access to and the right to examine any books, documents, papers, and records of the Engineer involving transactions related to the Agreement. The Engineer agrees that payment made under the Agreement shall be subject to reduction for amounts charged thereto that are found on the basis of audit examination not to constitute allowable costs. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three years after completion of all work under the Agreement.

14. <u>Indemnification</u>. The Engineer agrees, to the fullest extent permitted by law, to indemnify, defend, and hold the District, its supervisors, officers, agents and employees, harmless of and from any and all liabilities, claims, causes of action, demands, suits, or losses arising from the negligent acts, errors or omissions of the Engineer, Engineer's agents or employees, in the performance of professional services under this Agreement.

15. <u>Sovereign Immunity</u>. Nothing contained herein shall cause or be construed as a waiver of the District's immunity or limitations on liability granted pursuant to section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which could otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

16. <u>Public Records</u>.

(a) Engineer understands and agrees that all documents of any kind relating to this Agreement may be public records and, accordingly, Engineer agrees to comply with all applicable provisions of Florida public records law, including but not limited to the provisions of

Chapter 119, *Florida Statutes*. Engineer acknowledges and agrees that the public records custodian of the District is the District Manager, which is currently Governmental Management Services - Central Florida, LLC (the "Public Records Custodian"). Engineer shall, to the extent applicable by law:

services;

(i) Keep and maintain public records required by District to perform

(ii) Upon request by District, provide District with the requested public records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*;

(iii) Ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the Agreement term and following the Agreement term if the Engineer does not transfer the records to the Public Records Custodian of the District; and

(iv) Upon completion of the Agreement, transfer to District, at no cost, all public records in District's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws.

#### IF ENGINEER THE HAS **QUESTIONS** REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE ENGINEER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE DISTRICT'S CUSTODIAN OF PUBLIC RECORDS (407-841-5524), BY AT AT OR EMAIL LI @GMSCFL.COM, OR BY REGULAR 219 E. MAIL AT LIVINGSTON STREET, ORLANDO, **FLORIDA** 32801, **ATTENTION:** DISTRICT PUBLIC RECORDS **CUSTODIAN.**

# 17. <u>Compliance with All Laws, Regulations, Rules and Policies</u>.

(a) At all times, the Engineer is expected to operate in accordance with all applicable statutes, codes, permits, regulations, ordinances and orders.

(b) The Engineer hereby covenants and agrees to comply with all the rules, ordinances and regulations of governmental authorities wherein the District's facilities are located, as said rules, etc. may specifically relate to the Engineer or it's services provided hereunder, at the Engineer's sole cost and expense, and the Engineer will take such action as may be necessary to comply with any and all notices, orders or other requirements affecting the services described herein as may be issued by any governmental agency having jurisdiction over the Engineer, unless specifically instructed by the District that it intends to contest such orders or requirements and that the Engineer shall not comply with the same. The Engineer shall provide immediate notice to the District of any such orders or requirements upon receipt of same.

(c) The District is a local unit of special purpose government created in accordance with the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*. The Engineer agrees to comply with all applicable requirements of the "Sunshine Law," the "Public Records Law," the Community Development Districts Law, and all other statutes and regulations applicable to Engineer.

# 18. <u>Compliance with E-Verify System</u>.

(a) The Engineer shall comply with and perform all applicable provisions and requirements of Section 448.095, *Florida Statutes* and Section 448.09(1), *Florida Statutes*. Accordingly, beginning on the Effective Date, to the extent required by Section 448.095, *Florida Statutes*, the Engineer shall enroll with and use the United States Department of Homeland Security's E-Verify system to verify the work authorization status of all newly hired employees. The Engineer may terminate this Agreement immediately for cause if there is a good faith belief that the Engineer has knowingly violated Section 448.091, *Florida Statutes*.

(b) If the Engineer anticipates entering into agreements with a subcontractor for the work, the Engineer will not enter into the subcontractor agreement without first receiving an affidavit from the subcontractor regarding compliance with Section 448.095, *Florida Statutes*, and stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Engineer shall maintain a copy of such affidavit for the duration of the agreement and provide a copy to the District upon request. In the event that the District has a good faith belief that a subcontractor has knowingly violated Section 448.095, *Florida Statutes*, but the Engineer has otherwise complied with its obligations hereunder, the District shall promptly notify the Engineer. The Engineer agrees to immediately terminate the agreement with the subcontractor upon notice from the District. Further, absent such notification from the District, the Engineer or any subcontractor who has a good faith belief that a person or entity with which it is contracting has knowingly violated Section 448.09(1), *Florida Statutes*, shall promptly terminate its agreement with such person or entity.

(c) By entering into this Agreement, the Engineer represents that no public employer has terminated a contract with the Engineer under Section 448.095(2)(c), *Florida Statutes*, within the year immediately preceding the date of this Agreement.

19. <u>Controlling Law and Jurisdiction</u>. The Engineer and the District agree that this Agreement shall be controlled and governed by the laws of the State of Florida. Any litigation arising under this Agreement shall be venued in the Circuit Court of Osceola County, Florida. THE PARTIES HEREBY WAIVE TRIAL BY JURY AND AGREE TO SUBMIT TO THE PERSONAL JURISDICTION AND VENUE OF A COURT IN OSCEOLA COUNTY, FLORIDA.

20. <u>Assignment</u>. Neither the District nor the Engineer shall assign, sublet, or transfer any rights under or interest in this Agreement without the express written consent of the other.

21. <u>Notice</u>.

(a) Notices required or permitted to be given under this Agreement shall be in writing, may be delivered personally or by mail, overnight delivery service, or courier service, and shall be given when received by the addressee. Notices shall be addressed as follows:

If to District:	Old Hickory Community Development District c/o Governmental Management Services – Central Florida, LLC 219 E. Livingston Street Orlando, Florida 32801 Attention: Jeremy LeBrun, District Manager Telephone: (407) 613-2944
Copy to:	Latham, Luna, Eden & Beaudine, LLP 201 S. Orange Ave., Suite 1400 Orlando, Florida 32801 Attention: Jan Albanese Carpenter, District Counsel Telephone: (407) 481-5800
If to Engineer:	Dewberry Engineers, Inc. 800 N. Magnolia Ave., Suite 1000 Orlando, Florida 32803 Attention: Rey Malave, PE Telephone: (321) 354-9656

(b) Notwithstanding the foregoing, any notice sent to the last designated address of the party to whom a notice may be or is required to be delivered under this Agreement shall not be deemed ineffective if actual delivery cannot be made due to a change of address of the party to whom the notice is directed or the failure or refusal of such party to accept delivery of the notice. Parties may change notice address by delivering written notice by mail, overnight delivery service, or courier service to the other party and such change shall become effective when received by the addressee.

22. <u>Termination</u>. The District or the Engineer may terminate this Agreement without cause upon thirty (30) days' prior written notice. At such time as the Engineer receives notification of the intent of the District to terminate the contract, the Engineer shall not perform any further services unless directed to do so by the District's Board. In the event of any termination without cause, the Engineer will be paid for services rendered to the date of termination and all reimbursable expenses incurred to the date of termination.

The District may terminate this Agreement with cause upon written notice to the Engineer. In the event of any termination for cause, Engineer shall not perform any further services for the District after Engineer's receipt of notification of termination for cause, but Engineer shall be paid for services rendered to the date of termination and all reimbursable

expenses incurred through the date of termination.

23. <u>No Waiver</u>. No failure by either party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy upon a breach thereof shall constitute a waiver of any such breach or of such or any other covenant, agreement, term or condition. Any party hereto, by written notice executed by such party, may, but shall be under no obligation to, waive any of its rights or any conditions to its obligations hereunder, or any duty, obligation, or covenant of any other party hereto. No waiver shall affect or alter this Agreement, but each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof.

24. <u>No Modification</u>. No modification, waiver, amendment, discharge or change of this Agreement shall be valid unless the same is in writing and signed by the parties against which such enforcement is or may be sought. This instrument contains the entire agreement made between the parties and may not be modified orally or in any manner other than by an agreement in writing signed by all parties hereto or their respective successors in interest.

25. <u>Recovery of Attorneys' Fees and Costs</u>. If either party hereto institutes an action or proceeding for a declaration of the rights of the parties the Agreement, for injunctive relief, for an alleged breach or default of, or any other action arising out of, the Agreement, or in the event any party hereto is in default of its obligations pursuant hereto, whether or not suit is filed or prosecuted to final judgment, the non-defaulting or prevailing party shall be entitled to its actual attorneys' fees and to any court costs and expenses incurred, in addition to any other damages or relief awarded.

26. <u>Conflicts of Interest</u>. The Engineer shall bear the responsibility for acting in the District's best interests, shall avoid any conflicts of interest and shall abide by all applicable ethical canons and professional standards relating to conflicts of interest.

27. <u>Counterparts</u>. This Agreement may be executed in any number of counterparts with the same effect as if all parties had signed the same document. All fully executed counterparts shall be construed together and shall constitute one and the same agreement.

28. <u>Acceptance</u>. Acceptance of this Agreement is indicated by the signature of the authorized representative of the District and the Engineer in the spaces provided below.

# RE: Request for Qualifications for Engineering Services for the Old Hickory Community Development District

Dear Mr. George S. Flint,

Our firm has put together a strong, focused, and experienced team to deliver each task under this contract efficiently and effectively. Dewberry has served as the District Engineer for over 50 Community Development Districts (CDDs) in Florida, which allows us to provide Old Hickory with the unique experience, familiarity, and understanding of the type of services that will be requested.

Our team of technical experts are qualified to meet engineering needs in all anticipated scope areas. **Dewberry is also authorized to do business in the state of Florida in accordance of Florida law.** This team will be led by District Engineer, Rey Malavé, PE who will be Old Hickory's primary point of contact throughout the life of this contract. Rey has 39 years of experience serving various CDDs throughout Florida, many of which have long term contracts with Dewberry. Rey will be supported by Assistant District Engineer, Joey Duncan, PE. Joey previously served as the Director of Public Works for the City of Jacksonville, and has experience being the District Engineer on various CDDs, as well as meeting the level of service necessary for the Old Hickory CDD.

Dewberry's Florida operation is backed by the resources and stability of a national firm and specializes in site/civil, environmental, utility infrastructure, transportation engineering, surveying, and land development services. Dewberry has 15 office locations and over 350 employees in Florida, allowing us to bring expertise, qualifications, and resources to clients throughout the state. Dewberry's depth of professional resources and expertise touches every aspect of the District's ongoing needs. Whether the District requires 200 acres or 10,000 acres, we can offer the District a solid team built on past experience to efficiently address the associated scope of work, as well as the added depth of services involving engineering, environmental, surveying, and construction management for a full service approach.

Dewberry currently has no conflicts with any home builder within Old Hickory CDD. Although our past history with numerous CDDs speaks for itself, we are committed to proving ourselves as a valuable partner to provide engineering services to the District.

It would be our privilege to serve as the District Engineer for Old Hickory. We appreciate this opportunity to provide information about our capabilities and welcome the possibility to personally expand upon them.

1/10

private sectors, with an emphasis on the planning, design, and construction of water and power infrastructure. He previously served as Director of Public Works for the City of Jacksonville, the largest city by land mass in the United States. In this role, he oversaw seven divisions responsible for horizontal and vertical public infrastructure across 840 square miles, with a total capital and operating budget of \$1 billion. In 2008, he guided the launch of the Jacksonville Stormwater Utility, which effectively created a new operating division with its own capital improvement plan and \$30 million in revenue. He has also served in varying management roles at JEA, Jacksonville's utility authority, where he notably led the planning, design, and construction of the \$630 million Northside Generating Station Repowering Project, recognized by Power magazine as the 2002 Plant of the Year.

12. NAME	13. ROLE IN THIS CONTRACT	14. \	EARS EXPERIENCE
Joe Keezel, PE	Senior Roadway Engineer	a. TOTAL <b>27</b>	b. WITH CURRENT FIRM
15. FIRM NAME AND LOCATION (City and State) Dewberry Engineers Inc. (Orlando, FL)			
16. EDUCATION (Degree and Specialization) BS/Environmental Engineering	17. CURRENT PROFESSIONAL REGISTRATION ( Professional Engineer/FL	State and Discipline)	

Joe Keezel has more than 27 years of experience designing major transportation systems and thoroughfares, working primarily on FDOT projects. He has managed several major highway projects, including a capacity project that widened a rural four-lane state highway to an urban six-lane section, replaced twin bridges, and updated drainage, signing, pavement markings, and signals. He was Project Manager for two districtwide contracts and prepared construction documents for more than 10 resurfacing, restoration, and rehabilitation projects ranging from two-lane rural to multi-lane urban. Joe also prepared several designs with limited surveys using as-built plans, right-of-way (ROW) maps and SLD's, and prepared several projects with SMART plans and letter sets, all of which have been constructed with no claims.

18. OTHER PROFESSIONAL QUALIFICATIONS (Publications, 0	Drganizations, Training, Awards, etc.)				

Jose Pereira has 35 years of professional experience in the field of environmental engineering, including the design of water treatment and wastewater collection, pumping, and treatment facilities; pilot-scale and laboratory-scale treatabilities studies; and water and wastewater wet chemistry analysis. He has been actively engaged in the planning, design, construction engineering, and start-up services for numerous municipal wastewater treatment collection, pumping, and treatment systems. Many of these facilities have included innovative treatment processes such as nitrification, de-nitrification, bio-selectors, and other biological nutrient removal. To accommodate new developments, Jose has planned and designed entire wastewater collection systems that have included interceptor sewers up to 72-inches in diameter, wastewater pumping facilities, and in-system flow equalization storage basins as large as 16 million gallons.

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT (Include scope, size, and cost)

Dowden West is a 736.28-acre master planned residential community with 1,446 residential units located in the City of Orlando. The development is 10 villages within the approved planned development for Starwood, which encompasses approximately 2,558 acres and is entitled to 4,400 residential units.

As District Engineer, we have been responsible for providing the master utility design for the water, sewer, and reuse systems, in addition to master stormwater modeling for an approximately 6,500-acre watershed for the Dowden West CDD. This modeling was used for both stormwater management design and FEMA floodplain determination.

Other services include landscape architecture design for the common open spaces and community parks, the design of community roads that also include the extension of the four-lane Dowden Road through the community, boundary surveys, topographic surveys, tree surveys, and other additional surveys, as needed.

Lakewood Ranch CDD

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT (Include scope, size, and cost)

Lakewood Ranch is an unincorporated 31,000-acre master planned community located on Florida's Gulf Coast in Sarasota and Manatee Counties, established in 1995. The five CDDs we serve cover an 8,500-acre community within the larger Lakewood Ranch Development. The overall development contains A-rated schools, shopping, business parks, a hospital and medical center, golf courses, athletic centers, aquatics, and lighted tennis courts.

As the CDD Engineer for the five CDDs, Dewberry's services include engineering, surveying, permitting, owner coordination with the County's review, and approval of construction activities. Dewberry's services also include rehabilitation on landscaping, water and wastewater improvements and upgrades, roadway and storm sewer redesign and repair, stormwater inspections, reviews and upgrades, coordination of traffic issues including signalization with County officials, oversight of other engineers, assistance with bidding, contractor selection, construction oversight, pay application review, and final project certification and closeout.

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT (Include scope, size, and cost)

Dewberry serves as the current District Engineer for this +/- 602-acre Master Planned Golf Community with 749 units. Our services have included attending monthly District Board meetings, processing of pay requisitions and construction pay applications, and providing general consulting services and input to the Board of Directors.

Specific assignments include planning, preparing reports and plans, surveying designs and specifications for water management systems and facilities, water and sewer systems and facilities, roads, landscaping, recreational facilities and street lighting, and other community infrastructure provided by the District, as authorized in Chapter 190 F.S. Affiliated projects are to include engineering contract management and inspection services during construction.

Dewberry completed an irrigation system analysis to evaluate the system's hydraulic ability to provide additional irrigation zones. Also, on behalf of the CDD, Dewberry was able to address and resolve compliance coordination with the St. John's River Water Management District. Additionally, Dewberry prepared a planting plan and a vegetation management plan for conservation easement maintenance and restoration.

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT (Include scope, size, and cost)

VillaSol CDD is located in Osceola County which is just minutes from the Orlando International Airport, area attractions, and theme parks, and offers amenities like no other community in the area.

Nestled along Boggy Creek, residents have access to a boat dock where they can travel down to East Lake Toho. Resort-style amenities include a tennis court, basketball court, clubhouse, pool, and soft gate with a guard house.

Some of Dewberry's specific assignments for this project include planning, preparing reports and plans, designs and specifications for water management systems and facilities, as well as, water and sewer systems and facilities, roads, landscaping, recreational facilities and street lighting, other community infrastructure provided by the District, as authorized in Chapter 190 F.S., and affiliated projects to include engineering contract management and inspection services during construction.

Dewberry completed the design an implementation of a new guard house which included architecture, landscape architecture, structural analysis, and civil engineering design. Also, Dewberry is implementing a CDD inspection and rehabilitation program of the stormwater system to identify and repair defects in the stormwater conveyance system. Additionally, Dewberry conducted a pavement evaluation study to prioritize and assist the CDD in financial planning for resurfacing needs.

Highland Meadows is a 263.5-acre master planned residential community located in the city of Davenport. The development is approved as a planned development for a 222 single-family unit community. The CDD is located on the south side of County Road 547 - Holly Hill Road and the north side of Olsen Road. The community consists of CDD owned roadways, stormwater ponds, and conservation areas. Dewberry has provided services to the District in the review and repair of roadways, stormwater systems, street signage, and landscape architecture improvements. We have assisted in the bidding and construction of the many infrastructure facilities within the community.

Dewberry is the CDD Engineer for this project. Our services include civil engineering, construction estimates and administration, coordination of environmental, jurisdictional lines and permitting, due diligence, permitting, planning, landscaping plans, and surveying.

# FIRM QUALIFICATIONS

Dewberry is a leading, multi-disciplined firm with a proven history of providing professional services to a wide variety of public- and private-sector clients. Established in 1956, Dewberry is headquartered in Fairfax, Virginia, with 60 locations and over 2,500+ professionals nationwide, including our local office in Orlando. Recognized for combining unsurpassed commitment to client service with deep subject matter expertise, Dewberry is dedicated to solving clients' challenges and transforming their communities.

Dewberry's Florida operation is backed by the resources and stability of a national firm and specializes in site/civil, environmental, utility infrastructure, transportation engineering, surveying, architecture, and land development services. Dewberry's local Orlando office includes 120 people, with 15 office locations and over 350 employees across Florida, bringing expertise, qualifications, and resources to cities and counties throughout the state. Dewberry supports large and small projects in the following primary service areas:

- · Alternative delivery
- Architecture
- Building engineering
- · Disaster response and emergency management
- · Energy services
- Environmental services
- · Geospatial services
- · Mechanical, electrical, and plumbing services
- · Program management
- Site/civil services
- Surveying/mapping
- Sustainability
- Transportation
- · Water/wastewater/reclaimed water services

#### **Relevant Experience**

The absolute best predictor of future success is past performance, and we have a lot of experience in all areas required for this contract. Whether we are providing professional design engineering services or as a previous District Engineer, our track record speaks for itself.

Our local leadership team has planned, funded, constructed, and maintained projects in and around Orlando for over 40 years. **Serving as District Engineer is Rey Malavé**, **PE**. Rey has 41 years of experience in civil engineering and a diversified background in the design and permitting of infrastructure systems, including public facilities, utility systems, office buildings, commercial developments, recreational facilities, and industrial developments. He has extensive experience with permitting agencies, including FDEP, FDOT, Florida Water Management Districts, and other local agencies. **He has served as the District Engineer for over 25 CDDs and Improvement Districts in Florida**.

#### Serving as Assistant District Engineer is Joey Duncan, PE.

Joey brings 42 years of progressive leadership experience in program management and civil engineering for both the public and private sectors, with an emphasis on the planning, design, and construction of water and power infrastructure. Joev will collaborate with the District Manager, attorneys, and board of directors to identify the needs of the District, provide expert technical information to facilitate problem solving and decision making by the DM and BOD. Technical and professional tasks will be clearly stated, schedule and budget finalized, and any risks to project cost or schedule will be communicated expediently to solicit feedback and ensure clear communication and quality deliverables. He previously served as Director of Public Works for the City of Jacksonville, the largest city by land mass in the United States. In this role, he oversaw seven divisions responsible for horizontal and vertical public infrastructure across 840 square miles, with a total capital and operating budget of \$1 billion.

# DEWBERRY HAS SERVED OVER 50 CDDS IN FLORIDA.

The following CDD projects are representative of our relevant project experience:

- Baymeadows ID, Duval County
- Baytree CDD, Brevard County
- · Cascades at Groveland CDD, Lake County
- Country Greens CDD, Lake County
- Covington Park CDD, Hillsborough County
- Deer Run CDD, Flagler County
- Dowden West CDD, Orlando
- East Park CDD, Orange County
- Greater Lakes Sawgrass Bay CDD, Lake Wales
- · Highland Meadows CDD, Polk County
- Lake Emma CDD, Groveland
- Lakewood Ranch CDDs 1, 2, 4, 5, 6, Sarasota and Manatee County
- Lakewood Ranch Stewardship, Sarasota and Manatee County
- Live Oak Lake CDD, Osceola County
- Montecito CDD, Brevard County
- Narcoossee CDD, Orange County
- On-Top-of-the-World CDDs, Marion County
- · Chandler Hills East CDD, Marion County
- Indigo East CDD, Marion County
- Bay Laurel Center CDD, Marion County
- · Osceola Chain of Lakes, Osceola County
- · Reedy Creek Improvement District, Osceola County

30. PROVIDE ANY ADDITIONAL INFORMATION REQUESTED BY THE AGENCY. ATTACH ADDITIONAL SHEETS AS NEEDED.

- Reunion Resort CDD, Osceola County
- Verandas CDD, Pasco County
- Viera CDD, Brevard County
- VillaSol CDD, Osceola County
- West Villages Improvement District, Sarasota County

### **Project Approach**

We have prepared an organizational approach to fit the specific categories of the organization and operations to support both large and small engineering projects. Through our many years of serving as District Engineer, we've been successful at becoming an extension of the CDD's Project Management group, with the ability to understand project needs and proposing only on what is necessary to complete the task at hand. Our management team is committed to a quality product that is consistent with Old Hickory CDD's policies and procedures.

#### **Stormwater Management Services**

Our integrated stormwater management services range from large basin studies to the design of collection systems. Our team has performed analysis on various projects throughout Florida. We have designed culvert replacements to extensions on numerous roadway projects, ranging from two-lane rural widening to multi-lane expressways.

Drainage design and permitting are critical parts of any project. We will provide assistance to the District in coordination with MS4 support, total maximum daily loads, numeric nutrient criteria support, drainage, erosion and sediment control, stormwater basin modeling, assessment and evaluation drainage systems, design and construction plans for stormwater management systems, and coordination with state and federal agencies.

Assumptions and/or omissions in this area can cause significant delays in the project schedule, increase costs during construction, and even lead to possible litigation against the District. We are experienced in identifying, analyzing, and addressing drainage impacts associated with a variety of project types. Our drainage staff is knowledgeable of Water Management District criteria, and we are adept at developing creative and innovative solutions to drainage problems. We also have experience preparing flood studies with FEMA. At the heart of our approach is a thorough document review of the existing plans, USGS Quadrangle Maps, USDA Soil Survey, FEMA Flood Insurance Maps and aerial photographs. With this data in hand, we will perform a field review during the prescope meeting, identify all drainage and permitting issues, and discuss possible drainage solutions with the District. Existing drainage patterns, ponding concerns and erosion problems will be documented. We will contact the District's Maintenance Engineer to discuss any concerns regarding the project area.

#### Water/Wastewater Services

Our team can provide utility analyses of existing master systems, preparation and updates to master plans, as well as preparation of utility construction plans. Dewberry can analyze the existing utility systems and make recommendations for upgrades or replacement. We have designed numerous utility collection and transmission facilities, gravity sewers, force mains, reuse water, and potable water systems. We have also designed numerous wastewater and water pump stations. We also have experience in the transformation of septic tank systems by the installation of new sewer systems.

#### **Transportation Services**

Dewberry has provided roadway and bridge design services to numerous governmental agencies throughout Florida for over 30 years. Our projects have ranged from minor intersection improvements and milling and resurfacing of existing roadways to capacity improvements and complex, multilevel interchanges. The extensive experience of our staff in the design, preparation of construction documents, and post design services for roadways, bridges, and associated systems provides Old Hickory with the expertise to handle any type of transportation related assignment. Our transportation design staff, coupled with the survey, drainage, environmental, and permitting capabilities, allows us to efficiently complete any assignment, as all disciplines required are available in-house.

Traffic design may include one or more of the following items, dependent upon a specific project: signing design, pavement marking design, signal warrant analysis, signalization design, lighting justification, lighting design, and traffic studies. We have extensive experience in these phases of the project, and we are qualified to perform all aspects of traffic engineering.

Engineering services related to structural design may be required for bridge widenings, bridge rail replacements, box culvert extensions, retaining walls, sheet piling, overhead sign structures, multi-post guide signs, signal poles, mast arms light poles, and foundations for signs, signal poles, and lighting. We have an experienced in-house staff to provide these services.

#### **Survey and Mapping Services**

Dewberry has provided continuing surveying services for many counties and municipalities throughout the State of Florida. Our large in-house survey staff, with numerous crews out of our Orlando and Jacksonville office, are well-versed in the rigors of on-call assignments and the immediate response time they require. We utilize state-of-the-art equipment to provide cost effective surveying, ROW mapping, utility designation, and subsurface utility engineering (SUE) for roadway, municipal, and civil development projects. We have extensive experience in boundary surveys, topographic design surveys, tree surveys, inventory surveys, and underground utility mapping. Our survey team has a dedicated staff of photogrammetrists who specialize in aerial photogrammetry, fixed and aerial LiDAR, and GIS mapping.

Our services for surveying and mapping may include asbuilt surveys, boundary surveys, eminent domain surveys, GIS, legal description preparation, plat preparation, property sketches, ROW mapping, SUE, topographic surveys, and utility surveys.

SUE technology combines geophysics, surveying, and civil engineering to better locate underground utilities. This service helps our clients avoid costly utility conflicts and construction delays caused by inaccurately plotted utilities. Our 3D laser scanning equipment allows our survey crews to accurately collect field data comprehensively and, most importantly, safely. Dewberry is one of a select few firms in the state to have this technology.

#### 30. PROVIDE ANY ADDITIONAL INFORMATION REQUESTED BY THE AGENCY. ATTACH ADDITIONAL SHEETS AS NEEDED.

#### Environmental/Permitting Services

From determining wetland lines to the understanding of current rules and regulations for water management districts, our staff has full understanding and experience in providing these services for cities and other governmental agencies. We have obtained permits with various local, state, and federal agencies for a variety of projects. We understand how to prepare permit applications, work closely with the agencies, and obtain permits for your projects. Dewberry will track the permit status for each agency, keep the District informed of the progress of all permits, and respond promptly to all requests for additional information.

As part of our efforts for the Old Hickory CDD, we will assist in determining the permits needed for each development project along with the anticipated schedules for obtaining each permit. Additionally, we have experience in permitting with governmental agencies such as the Water Management Districts, FDEP, Florida Fish and Wildlife Conservation Commission (FFWCC), U.S. Army Corps of Engineers (USACE), and FDOT. We have staff that consists of both engineers and environmental scientists, many of which have worked previously for various permitting agencies.

#### Landscape Architecture/Planning

Dewberry has extensive landscape architecture experience throughout Florida. Our project experience includes residential, retail office, mixed-use, streetscapes, and recreational uses, as well as hardscape and irrigation design. Our hardscape designs have included corporate plazas, streetscapes, fountains, amenity areas for multi-family projects, and urban plazas. Our planning services to Old Hickory CDD will include presentations to CDD Commissioners and public meetings, where we would provide assistance to the District for the understanding of technical issues, proposed developments, projected roadway designs, possible ROW changes, and to provide a professional and expert opinion on issues that may be needed by the District. Dewberry can assist the District with the following planning services:

- Comprehensive planning
- · Review of comprehensive plan amendments
- Preparing land development regulations, including form based codes, GIS, and mapping services
- Transportation planning
- Revitalization/redevelopment planning

#### **Public Involvement and Outreach**

Open and effective communication is essential to the successful completion of any project. It's important to develop and maintain a sense of trust and understanding with the public. This is best accomplished by developing a plan tailored to the surrounding community potentially impacted and depending on the nature and extent of the project. Outreach may include a Community Awareness Plan, which would detail the specific methods proposed and list the targeted stakeholders within a specific corridor or project study area. Other public outreach activities could include the management of a project hotline and/or stakeholder database and distributing information through a variety of notifications to local residents, property owners, schools, businesses, local officials, and other stakeholders. We have found that evaluation of all potential improvements and design concepts and sharing the results of extensive data collection early in the study process creates a level of comfort with the public in two respects:

- · There is an open exchange of information; and
- A technically sound approach is being used to serve the best interests of the public.

Coordination with City staff and others will be strengthened by our team's diverse project experience and previous involvement with a variety of stakeholders. Our team is adept at planning and coordinating public workshops, and smaller homeowner associations, and group workshops.

#### **Construction Administration/CEI**

We have continually provided construction administration services to our clients on most of the projects we have designed. Dewberry understands the importance of establishing and maintaining budgets. As a project is constructed, our team must monitor the project budget and keep the District consistently informed. We have worked with many cities and counties on providing all construction services, including assistance in the preparation of bid documents, prebid meetings, pre-construction meetings, construction administration, site observation, pay application review, and approvals. We also provide shop drawing reviews and approvals per construction documents. We will provide assistance to District staff in the administration of construction contracts. Our team is currently providing these services to many municipalities across the state of Florida.

Our construction administration staff is prepared to support the District in various construction management related tasks. We routinely perform these services for both our public and private clients. Our services include:

- Construction Inspection
- Shop Drawing Review
- Pay Application Verification
- Construction Scheduling
- Utility Company Coordination
- Final Regulatory Acceptance
- Record Drawings
- Project Value Engineering
- · Bid Document Preparation
- Bid Summarization and Analysis
- Contract Preparation

#### **Task Initiation**

Our Project Approach will vary due to the type of assignment; however, the important first steps in task initiation involve data gathering and scope development.

#### **Data Gathering**

This phase consists of defining the project objectives, identifying elements involved in the task, conducting a field review meeting (if required), and developing a detailed scope of services. This phase will begin once the District has identified a specific task or project. Once identified, we will coordinate with the District to obtain all existing information. This data collection

#### 30. PROVIDE ANY ADDITIONAL INFORMATION REQUESTED BY THE AGENCY. ATTACH ADDITIONAL SHEETS AS NEEDED.

effort is very important because it provides valuable information before developing the scope of services.

If applicable or desired, an on-site field review meeting will be held jointly with the District and other appropriate agencies to discuss the task objectives and identify areas of concern. Discussions regarding the project's background, scope requirements, constraints, and other relevant issues will be held to understand the overall project goals. Based on the data collection effort and the initial on-site field meeting, the specific plan elements required for the task will be identified and agreed to with the District prior to developing a scope of services.

#### Scope Development

A detailed scope of services, fee estimate, and schedule for each task will be developed based on the data gathering efforts and discussions. This scope and work effort will be heavily influenced by the quality of the data collected and the specific needs of each task. Man-hour estimates will be provided for each discipline involved. The scope and work effort will be prepared and negotiated quickly, so as not to affect the schedule.

#### **Other Considerations**

#### COST CONTROL

We constantly review our designs and look for ways to save our clients time and money. We exercise common sense engineering to provide practical design solutions, not merely based how things have always been done.

#### PROJECT COSTS

We understand the financial constraints that clients face due to budget cuts and rising construction and ROW costs. We will review all designs prepared by Dewberry or others for cost savings measures that will not affect the intention or safety of the project. Our recent experience has shown that minor changes in the design can save materials, and reduce or avoid costly business damage claims and ROW impacts. Another key to cost controls is to estimate costs early in the design process and as the design evolves, not just near the end of the design process. Early cost estimating allows for more options to be explored and provides the District with opportunities to adjust budgets as needed.

#### **PROJECT SCHEDULE**

The importance of maintaining the project schedule through the design or review process cannot be overstated. Dewberry is committed to developing and adhering to the project schedule for each assignment. This is important to us because if we fail to successfully complete any assignment on time, our ability to obtain additional assignments with Old Hickory will be limited. We will maintain an overall schedule of projects to help with internal and external coordination. We fully understand what is required to keep a project on schedule. Our team will use the following proven actions to control the project schedule:

• Experienced Client Manager: Our District Engineer, Rey Malavé, routinely manages multi-discipline projects where coordination is critical. Dewberry's wide range of in-house services ensures close coordination between disciplines, enabling us to direct our staffing resources.

#### **INITIATION OF TASK**

#### COMMUNICATES WITH DISTRICT ENGINEER, REY MALAVE

#### ASSIGNMENT OF TASK MANAGER

#### ONE TASK MANAGER FROM START TO FINISH

#### PRELIMINARY DESIGN

- Identify/define project scope
- Initiate site review
- Establish key staff
- Discuss special issues, concerns, additional stakeholders

#### **COST PROPOSAL**

- Detailed description of project and scope of services
- Initial estimate of construction cost and fees
- Propose schedule
- · Identify needs for specific information/data

#### APPROVAL/AUTHORIZATION

#### PRELIMINARY DESIGN EFFORT

- Establish/investigate existing conditions
- · Identify/evaluate alternative solutions
- Investigate possible utility conflicts
- Develop scope for required investigative testing
- Develop preliminary design documents
- Quality Assurance/Quality Control review
- Develop cost estimate
- · Prepare final preliminary design package

#### **REVIEW PRELIMINARY DESIGN**

#### **DESIGN SERVICES**

- Construction plans
- Specifications
- Quality Assurance/Quality Control review
- Bid documents

#### **BID AND CONSTRUCTION SERVICES**

- Typical bid services
- Construction administration and inspection

30. PROVIDE ANY ADDITIONAL INFORMATION REQUESTED BY THE AGENCY. ATTACH ADDITIONAL SHEETS AS NEEDED.

- Weekly Team Meetings: Coordination will be ensured through weekly team meetings. These meetings will be used to track progress on individual tasks and as a planning tool.
- Monthly Progress Reports: Monthly progress reports will be supplied to Old Hickory. These reports will be an effective snapshot of the status of each assignment and will be used to identify any potential schedule issues.
- **Being Proactive:** We will be proactive (vs. reactive) on all tasks while managing the schedule Emphasis will be placed on the activity start dates to ensure timely completion.

#### NPDES MS4 PROGRAM SUPPORT

Having completed numerous programs for other cities and counties, we understand the MS4 Program and have the staff to assist the CDD in updates, compliance questions, and recommendations as needed in the ongoing program.

#### INDEPENDENT PEER REVIEW

An independent peer review is performed for each phase submittal. Dewberry's established Quality Management Program requires the review to be performed by senior-level staff not directly involved in the project to make sure quality standards are met are met on every submittal.

#### CONSTRUCTABILITY/BID-ABILITY REVIEW

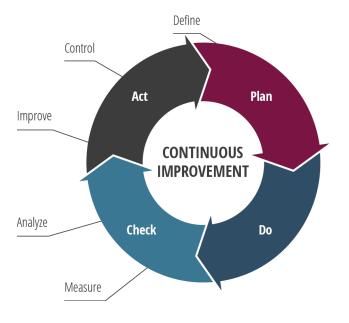

Prior to the 90 and 100 percent submittals, the plans will be subjected to a constructability/bid-ability review. This review will be performed by our in-house construction administrators, who are experienced in CDD requirements.

#### **Quality Assurance/Quality Control**

Dewberry understands the value of repeat business. Our District Engineer, Rey Malavé, PE, has 28 years of experience servicing a variety of CDDs across Florida.

Our commitment to personalized client service is such that we guarantee we will respond to each client's needs promptly and effectively. From the beginning, we recognized that functional efficiency and technical excellence must be provided as a matter of course in engineering design. Each project produced by our firm reflects this corporate commitment to excellence, and our insurance is our Quality Control Plan. Our Quality Assurance Plan and procedures are based on the philosophies that include:

- **Plan:** Quality is controlled by adequate planning, coordination, supervision, technical direction, proper definition of job requirements and procedures, and the involvement of experienced professionals.
- Do: Quality is achieved by individuals performing work functions carefully and "doing it right the first time."
- Check: Quality is verified through checking, reviewing, and supervising work activities, with documentation by objective individuals who were not directly responsible for performing the initial work.
- Act: Quality is ensured by having a manager perform quality assurance functions that involve monitoring and close review of the work and the procedures used in performing the work.

# OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT ENGINEERING SERVICES

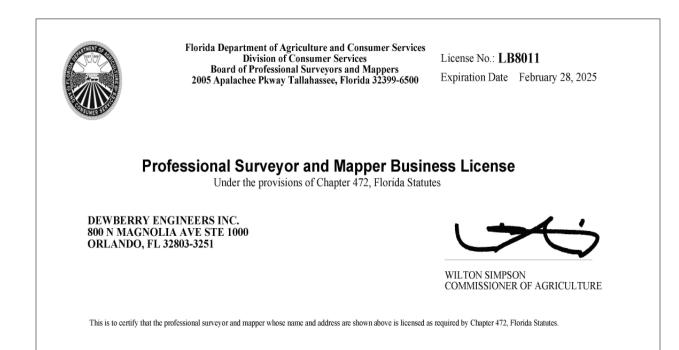

Please be advised that as of February 2021, the Florida Board of Professional Engineers (FBPE) does not require companies to renew their engineering licensure and therefore no longer have printable licenses nor applicable expiration dates, only a requirement that they be currently listed on the Board's registry. Dewberry Engineers Inc. is up-to-date on professional registration to the board, which can be confirmed with a Florida Department of Business & Professional Regulation (DBPR) licensee search.

#### OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT ENGINEERING SERVICES

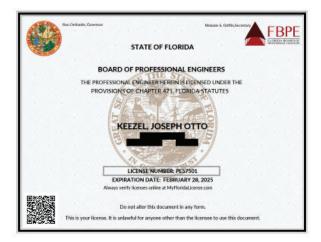

### **Personnel Licenses**

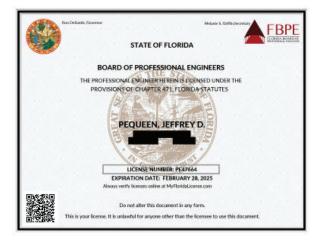

Dewberry

#### OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT ENGINEERING SERVICES

**Dewberry** 

# **SECTION 3:** Qualifications and Experience

# QUALIFICATIONS AND EXPERIENCE

### Ability and Adequacy of Professional Personnel

We have carefully selected our team of professionals and technical experts to match our experience and expertise with the qualifications required. Our firm has a wide array of experience, disciplines, and resources available to provide the required services to the Old Hickory CDD. Our team can provide engineering design, planning management, technical, and administrative services as requested and will make a commitment to prioritize the CDD's needs.

Rey Malavé, PE DISTRICT ENGINEER

Our **District Engineer**, **Rey Malavé**, **PE**, has 45 years of experience in civil engineering design and a diversified background in the designing and permitting of municipal infrastructure systems. His areas of expertise includes stormwater management systems, sanitary sewage collection systems, water distribution systems, and site development. He has managed and participated in the planning and designing of numerous large, complex projects for public and private clients. He has extensive knowledge of permitting requirements and has developed a rapport with permitting agencies, including the FDEP, FDOT, SWFWMD, and other local agencies. He has served as the District Engineer for over 25 CDDs and Improvement Districts in Florida.

Joey Duncan, PE ASSISTANT DISTRICT ENGINEER

Serving as **Assistant District Engineer is Joey Duncan, PE.** He has 42 years of experience in program management and civil engineering for both the public and private sectors, with an emphasis on the planning, design, and construction of water and power infrastructure. **Previously, Joey Duncan served** 

### WHY DEWBERRY?

OUR ORLANDO OFFICE IS LOCATED APPROXIMATELY 33 MILES FROM OLD HICKORY CDD

LOCAL, EXPERIENCED DISTRICT ENGINEER READY TO WORK FOR YOU

COMPREHENSIVE UNDERSTANDING OF CDD'S INFRASTRUCTURE AND OPERATIONAL NEEDS

350+ EMPLOYEES IN 15 OFFICES WITHIN FLORIDA, COLLABORATING TO SERVE OVER 50 CDDs IN FLORIDA

COHESIVE GROUP OF PROFESSIONALS INTEGRATED ACROSS SERVICE AREAS TO LEVERAGE SUCCESS FOR OUR CLIENTS

60+ YEARS HELPING CLIENTS BUILD AND SHAPE COMMUNITIES

the City of Jacksonville for over five years as

**Director of Public Works.** Under his leadership, the team has provided a range of experts that meet each of the needs under this contract. This experience included infrastructure review, floodplain mapping, SWMM Modeling, FEMA coordination, resiliency, water quality, and CIP development.

Joey has a proven track record for meeting budgets and schedules on complex and short time frame design projects. He is known for his ability to quickly adapt to changing schedules, design parameters, and client needs. Joey's diversified background in engineering design includes all aspects of land development engineering including master drainage, stormwater management design, site grading, water and reclaim distribution, sewer collection/transmission systems, and project reviews for permitting agencies.

#### OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT ENGINEERING SERVICES

WE BUILD strong

and lasting relationships with our clients. The caliber of our people and combining unsurpassed client service with deep subject matter expertise is what sets us apart. We operate with the highest level of ethics and transparency. Our integrity—and that of our people—is second to none. Personal commitment to our clients and standing behind our work are two central tenants of our cultural statement, "Dewberry at Work."

Our project management and organizational structure within each key service areas demonstrates our thorough understanding of the scope of this contract and our desire to meet the objectives of the project assignments.

Our senior experienced professionals are well versed in addressing their particular specialty area and have associates working under their direction to tackle any assignment from Old Hickory CDD efficiently. This organizational structure has a long history of success as a model that Dewberry has implemented across the country for similar CDDs and public agencies.

We will continue to develop and apply innovative concepts and techniques to design and manage all tasks effectively and efficiently. It is important to note that Dewberry is a full-service civil engineering firm that can meet your needs for any project – large or small. Dewberry can react quickly to client requests and provide all technical support under one roof.

## **Certified Minority Business**

Dewberry Engineers Inc. is not a certified minority business.

# Willingness to Meet Time and Budget Requirements

Dewberry recognizes the importance of maintaining project budgets. We have a long history of providing on-schedule services and projects that fit within the client's budget. Over 85% of our work is from repeat clients, a testament to our ability to work within a budget and schedule.

The following proven actions will be used by our team to control the project budget:

- *Experienced Staff:* The most effective means of meeting the design budget and schedule is by using experienced staff with the knowledge, training, and equipment necessary to perform their assigned tasks. Dewberry's Project Team has these attributes.
- *Construction Budget Controls:* We are acutely aware of the volatile construction materials market and its impact on construction budgets. As such, we periodically update our cost data to verify that the most current unit prices are being used for the construction cost estimates.
- Project Schedule: One way we keep costs in line is by developing and maintaining a schedule for each task. We build a design quality control checking date into every schedule prior to the submittal date for all project deliverables. We have found that focusing on the submittal date often results in rushed or incomplete quality control checks of the plans. Therefore, we will schedule a quality check date at least two weeks prior to the submittal date to make sure that the process is completed. This also allows our District Engineer and team to focus on the quality control date, resulting in plenty of time for the process to work and thus further committing to the project's budget.

## **Past Experience and Performance**

For more than 45 years, our land development professionals have combined an unsurpassed commitment to serving Florida developers with deep subject matter expertise in a broad spectrum of professional services. We have served as District Engineer for over 50 CDDs across Florida, varying in size from 200 acres to close to 10,000 acres. We are experienced in CDDs from the creation to operations.

Our clients benefit from our local experience and presence and our familiarity with entitlement issues, plan development and review processes, and local codes and ordinances. We offer creative and cost-effective designs that transform communities.

We provide our residential clients with a range of services that include land planning, entitlement approval, infrastructure design and permitting, surveying, stormwater modeling, environmental review and permitting, sustainable design, landscape architecture, and cost and schedule estimating. We envision possibilities to enrich communities, restore environments, and manage positive change.

The table shown on the following page demonstrates our CDD experience throughout Florida.

## **Geographic Location**

Dewberry's headquarters are located in Fairfax, at 8401 Arlington Boulevard, Fairfax, VA 22031. Local to Old Hickory, Dewberry has 15 office locations and over 350 employees in Florida, where we bring expertise, qualifications, and resources to clients throughout the State.

Located in our Orlando office at 800 North Magnolia Avenue, Suite 1000, Rey and members of the project team will be responsive, make frequent visits, and be readily available for meetings, presentations, or site visits. Additionally, our project team includes local Orlando staff members proposed for this contract, which leads all components of our assignments to be developed concurrently by a cohesive team.

Thanks to our extensive presence across Florida, and specifically, in Central Florida, our approach to the District's projects will combine our understanding of the various project assignments with our experience in identifying the District's needs to develop the appropriate project team for each assignment. This allows us to minimize the time needed from project request to "boots on the ground" activity.

In addition, our Project Team is supported by nationally-recognized subject matter experts and dedicated quality control staff who have the required capacity to provide the array of required services to the Old Hickory CDD. This depth of organization permits us to call upon specialists and a broad base of support to satisfy diverse or manpower intensive tasks.

## **Recent, Current, and Projected Workloads**

Dewberry has an excellent track record of meeting time and budget requirements on the projects we highlighted in this response and are committed to meeting the goals of the Old Hickory CDD.

Our team, supported by a strong in-house team of infrastructure design specialists, planners, surveyors, environmental scientists, ROW mappers, roadway engineers, MOT engineers, and construction inspection personnel. As such, Dewberry has the capacity to address all of the District's needs throughout the term of this contract.

Due to the capacity and availability of our proposed staff, we can commit our dedicated team members for these important projects. Our proposed District Engineer has 40% availability.

## **Volume of Work**

We have not worked with the Old Hickory CDD, but Dewberry has extensive working experience with numerous CDDs. As demonstrated throughout our proposal, we currently serve as the District Engineer for over 50 CDDs in Florida, which allows us to provide Old Hickory with the unique experience, familiarity, and understanding of the type of services that will be requested.

SWEETBAY COMMUNITY DEVELOPMENT DISTRICT.

# SECTION A

#### **RESOLUTION 2024-02**

#### THE ANNUAL APPROPRIATION RESOLUTION OF THE OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT (THE "DISTRICT") RELATING TO THE ANNUAL APPROPRIATIONS AND ADOPTING THE BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2024, AND ENDING SEPTEMBER 30, 2025; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the District Manager has, prior to the fifteenth (15<sup>th</sup>) day in June, 2024, submitted to the Board of Supervisors (the "Board") a proposed budget for the next ensuing budget year along with an explanatory and complete financial plan for each fund of the Old Hickory Community Development District, pursuant to the provisions of Section 190.008(2)(a), Florida Statutes; and

WHEREAS, at least sixty (60) days prior to the adoption of the proposed annual budget (the "Proposed Budget"), the District filed a copy of the Proposed Budget with the local governing authorities having jurisdiction over the area included in the District pursuant to the provisions of Section 190.008(2)(b), Florida Statutes; and

WHEREAS, the Board set August 19, 2024, as the date for a public hearing thereon and caused notice of such public hearing to be given by publication pursuant to Section 190.008(2)(a), Florida Statutes; and

WHEREAS, Section 190.008(2)(a), Florida Statutes, requires that, prior to October 1, of each year, the District Board by passage of the Annual Appropriation Resolution shall adopt a budget for the ensuing fiscal year and appropriate such sums of money as the Board deems necessary to defray all expenditures of the District during the ensuing fiscal year; and

WHEREAS, the District Manager has prepared a Proposed Budget, whereby the budget shall project the cash receipts and disbursements anticipated during a given time period, including reserves for contingencies for emergency or other unanticipated expenditures during the fiscal year.

#### NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT;

#### Section 1. Budget

a. That the Board of Supervisors has reviewed the District Manager's Proposed Budget, a copy of which is on file with the office of the District Manager and at the District's Records Office, and hereby approves certain amendments thereto, as shown in Section 2 below.

- b. That the District Manager's Proposed Budget, attached hereto as Exhibit "A," as amended by the Board, is hereby adopted in accordance with the provisions of Section 190.008(2)(a), Florida Statutes, and incorporated herein by reference; provided, however, that the comparative figures contained in the adopted budget may be subsequently revised as deemed necessary by the District Manager to reflect actual revenues and expenditures for Fiscal Year 2024 and/or revised projections for Fiscal Year 2025.
- c. That the adopted budget, as amended, shall be maintained in the office of the District Manager and at the District's Records Office and identified as "The Budget for Old Hickory Community Development District for the Fiscal Year Ending September 30, 2025," as adopted by the Board of Supervisors on August 19, 2024.

#### Section 2. Appropriations

There is hereby appropriated out of the revenues of the Old Hickory Community Development District, for the fiscal year beginning October 1, 2024, and ending September 30, 2025, the sum of **§** <u>1,090,560</u> to be raised by the levy of assessments and/or otherwise, which sum is deemed by the Board of Supervisors to be necessary to defray all expenditures of the District during said budget year, to be divided and appropriated in the following fashion:

TOTAL GENERAL FUND	\$ 543,880
DEBT SERVICE FUND – SERIES 2020	\$ 546,680
TOTAL ALL FUNDS	\$ 1,090,560

#### Section 3. Supplemental Appropriations

The Board may authorize by resolution, supplemental appropriations or revenue changes for any lawful purpose from funds on hand or estimated to be received within the fiscal year as follows:

- a. Board may authorize a transfer of the unexpended balance or portion thereof of any appropriation item.
- b. Board may authorize an appropriation from the unappropriated balance of any fund.
- c. Board may increase any revenue or income budget amount to reflect receipt of any additional unbudgeted monies and make the corresponding change to appropriations or the unappropriated balance.

The District Manager and Treasurer shall have the power within a given fund to authorize the transfer of any unexpected balance of any appropriation item or any portion thereof, provided such transfers do not exceed Ten Thousand (\$10,000) Dollars or have the effect of causing more than 10% of the total appropriation of a given program or project to be transferred previously approved transfers included. Such transfer shall not have the effect of causing a more than \$10,000 or 10% increase, previously approved transfers included, to the original budget appropriation for the receiving program. Transfers within a program or project may be approved by the Board of Supervisors. The District Manager or Treasurer must establish administrative procedures which require information on the request forms proving that such transfer requests comply with this section.

Introduced, considered favorably, and adopted this 19th day of August, 2024.

#### **REVENUES:**

#### Special Assessments

The District will levy a non-ad valorem special assessment on all the assessment property within the District in order to pay for the operating expenditures during the fiscal year.

#### <u>Interest</u>

The District generates funds from invested funds.

#### **EXPENDITURES:**

#### Administrative:

#### Supervisor Fees

Chapter 190, Florida Statutes, allows for each Board member to receive \$200 per meeting, not to exceed \$4,800 per year paid to each Supervisor for the time devoted to District business and meetings. The amount is based on 5 supervisors attending 12 meetings during the fiscal year.

#### FICA Expense

Represents the Employer's share of Social Security and Medicare taxes withheld from Board of Supervisor checks.

#### Engineering Fees

The District's engineer, Madden, Moorhead & Stokes, LLC., will be providing general engineering services to the District, e.g. attendance and preparation for monthly board meetings, review invoices, preparation and review of contract specifications and bid documents and various projects assigned as directed by the Board of Supervisors and the District Manager.

#### **Attorney**

The District's legal counsel, Latham, Luna, Eden & Beaudine, LLP, will be providing general legal services to the District, e.g. attendance and preparation for monthly meetings, preparation and review of agreements, resolutions and other research as directed by the Board of Supervisors and the District Manager.

#### <u>Arbitrage</u>

The District will contract with an independent certified public accountant to annually calculate the District's Arbitrage Rebate Liability on the Series 2020 Special Assessment Bonds (2020 Project). The District has contracted with AMTEC Corporation for this service.

#### **Dissemination**

The District is required by the Security and Exchange Commission to comply with Rule 15c2-12(b)(5) which relates to additional reporting requirements for unrated bond issues. The District has contracted with Governmental Management Services-Central Florida, LLC for this service on the Series 2020 Special Assessment Bonds (2020 Project).

#### <u>Annual Audit</u>

The district is required by Florida Statutes to arrange for an independent audit of its financial records on an annual basis. The District has contracted with Grau & Associates for this service.

#### Trustee Fees

The District will pay annual trustee fees for the Series 2020 Special Assessment Bonds (2020 Project) that are located with a Trustee at USBank.

#### Assessment Administration

The District has contracted with Governmental Management Services-Central Florida, LLC to levy and administer the collection of non-ad valorem assessment on all assessable property within the District.

#### Management Fees

The District has contracted with Governmental Management Services-Central Florida, LLC to provide Management, Accounting and Recording Secretary Services for the District. The services include, but not limited to, recording and transcription of board meetings, budget preparation, all financial reporting, annual audit, etc.

#### Information Technology

The District has contracted with Governmental Management Services-Central Florida, LLC for costs related to the District's information systems, which include but are not limited to video conferencing services, cloud storage services and servers, positive pay implementation and programming for fraud protection, accounting software, Adobe, Microsoft Office, etc.

#### Website Maintenance

The District has contracted with Governmental Management Services-Central Florida, LLC for the costs associated with monitoring and maintaining the District's website created in accordance with Chapter 189, Florida Statues. These services include site performance assessments, security and firewall maintenance, updates, document uploads, hosting and domain renewals, website backups, etc.

#### **Telephone**

Telephone and fax machine.

#### <u>Postage</u>

Mailing of agenda packages, overnight deliveries, correspondence, etc.

#### Printing & Binding

Printing and Binding agenda packages for board meetings, printing of computerized checks, stationary, envelopes etc.

#### Insurance

The District's general liability and public officials liability insurance coverage is provided by Florida Insurance Alliance (FIA). FIA specializes in providing insurance coverage to governmental agencies.

#### Legal Advertising

The District is required to advertise various notices for monthly Board meetings, public hearings, etc. in a newspaper of general circulation.

#### **Other Current Charges**

Bank charges and any other miscellaneous expenses incurred during the year.

#### **Office Supplies**

Miscellaneous office supplies.

#### Property Appraiser Fee

Represents a fee charged by Osceola County Property Appraiser's office for assessment administration services.

#### Dues, Licenses & Subscriptions

The District is required to pay an annual fee to the Florida Department of Commerce for \$175. This is the only expense under this category for the District.

#### **Operations & Maintenance:**

#### Field Services

Provide onsite field management of contracts for the District such as landscape and lake maintenance. Services to include onsite inspections, meetings with contractors, attend Board meetings and receive and respond to property owner phone calls and emails.

#### **Property Insurance**

Represents estimated costs for the annual coverage of property insurance. Coverage will be provided by Florida Insurance Alliance (FIA). FIA specializes in providing insurance coverage to governmental agencies.

#### <u>Electric</u>

Represents estimated cost of electric services for irrigation meters. District has one account with Orlando Utilities Commissions currently.

Account #	Description	Monthly	Annual
57703-09167	37311 Hickory Grove Road	\$35	\$420
	Contingency (Future Accounts)		\$1,080
Total			\$1,500

#### <u>Streetlights</u>

Represents cost for streetlight services that will be maintained by the District. The District current has one account with Orlando Utilities Commissions for Phases 1-4.

Account #	Description	Monthly	Annual
57703-09167	Ph 1 & 2 - Qty.140 - 13' Victorian II Lights	\$4,900	\$58,800
57703-09167	Ph 3 - Qty.51 - 13' Victorian II Lights	\$1,800	\$21,600
57703-09167	Ph 4 - Qty. 23 - 13' Victorian II Lights	\$1,000	\$12,000
	Contingency		\$9,030
Total			\$101,430

#### Water & Sewer

Represents costs for water services for areas within the District. The District currently has four accounts with Toho Water Authority (St. Cloud Utilities).

Account #	Description	Monthly	Annual
59098	4000 Block Even Hickory Grove Road	\$800	\$9,600
59099	4500 Block Odd Holstein Street	\$300	\$3,600
63023	5200 Block Odd Presrev Boulevard Irr	\$60	\$720
64268	400 Block Even Hitch Loop Irr	\$1,000	\$12,000
	Contingency (Future Account)		\$2,592
Total			\$28,512

#### Landscape Maintenance

The District will maintain the landscaping within the common areas of the District after installation of landscape material has been completed. The District has contracted with Floralawn 2, LLC for this service.

Description	Monthly	Annual
Landscape Maintenance Phases 1 - 2	\$6,921	\$83,052
Landscape Maintenance Phases 3	\$1,543	\$18,516
Landscape Maintenance Phases 4	\$3,132	\$37,584
Contingency		\$4,175
Total		\$143,327

#### Landscape Contingency

Represents estimated costs for any additional landscape expenses not covered under the monthly landscape maintenance contract.

#### Lake Maintenance

Represents cost for maintenance to 8 ponds located within the District. Services include shoreline grass and brush control, floating and submersed vegetation control, additional treatments as required, and a monthly report of all waterways treated. The District has contracted with Applied Aquatic Management, Inc. for these services.

Description	Monthly	Annual
Lake Maintenance - 8 Ponds		
Tract A	\$191	\$2,292
Tract I	\$286	\$3,432
Tract H	\$95	\$1,140
Tract K	\$127	\$1,524
Tract P	\$143	\$1,716
Tract DD	\$143	\$1,716
Tract EE	\$286	\$3,432
Tract Q	\$101	\$1,212
Contingency		\$494
Total		\$16,958

#### Irrigation Repairs

Represents estimated costs for any repairs to the irrigation system.

#### Repairs & Maintenance

Represents general repairs and maintenance costs that are not budgeted under any other budget line item for area such as playground and dog park.

#### Walls, Entry & Monuments

Represents estimated costs for repairs and maintenance to the walls, entry and monuments maintained by the District.

#### **Contingency**

Represents any additional field expense that may not have been provided for in the budget.

#### Transfer Out – Capital Reserve

Represents excess funds at fiscal year-end transferred to the Capital Reserve fund.

# SECTION B

#### **RESOLUTION 2024-03**

#### A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT IMPOSING SPECIAL ASSESSMENTS AND CERTIFYING AN ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Old Hickory Community Development District ("the District") is a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in Osceola County, Florida (the "County"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted Improvement Plan and Chapter 190, Florida Statutes; and

WHEREAS, the Board of Supervisors of the District ("Board") hereby determines to undertake various operations and maintenance activities described in the District's budget for Fiscal Year 2024-2025 ("Operations and Maintenance Budget"), attached hereto as Exhibit "A" and incorporated by reference herein; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the District's budget for Fiscal Year 2024-2025; and

**WHEREAS,** the provision of such services, facilities, and operations is a benefit to lands within the District; and

**WHEREAS,** Chapter 190, Florida Statutes, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, the District has previously levied an assessment for debt service, a portion of which the District desires to collect on the tax roll for platted lots, pursuant to the Uniform Method (defined below) and which is also indicated on Exhibit "A", and the remaining portion of which the District desires to levy and directly collect on the remaining unplatted lands; and

WHEREAS, Chapter 197, Florida Statutes, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector ("Uniform Method"); and

WHEREAS, the District has previously evidenced its intention to utilize this Uniform Method and has approved an Agreement with the County Tax Collector to provide for the collection of the special assessments under the Uniform Method; and WHEREAS, it is in the best interests of the District to collected special assessments for operations and maintenance on platted lots using the Uniform Method and to directly collect from the remaining unplatted property reflecting their portion of the District's operations and maintenance expenses, as set forth in the budget; and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the Old Hickory Community Development District (the "Assessment Roll") attached to this Resolution as Exhibit "B" and incorporated as a material part of this Resolution by this reference, and to certify the portion of the Assessment Roll on platted property to the County Tax Collector pursuant to the Uniform Method and to directly collect the remaining portion on the unplatted property; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend, from time to time, the Assessment Roll adopted herein, including that portion certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

## NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT:

**SECTION 1. INCORPORATION OF RECITALS AND AUTHORITY.** The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Resolution. The Resolution is adopted pursuant to the provisions of Florida Law, including Chapter 170, 190 and 197, *Florida Statutes*.

**SECTION 2. BENEFIT.** The provision of the services, facilities, and operations as described in Exhibit "A" confer a special and peculiar benefit to the lands within the District, which benefits exceed or equal the costs of the assessments. The allocation of the costs to the specially benefitted lands is shown in Exhibits "A" and "B."

**SECTION 3. ASSESSMENT IMPOSITION.** A special assessment for operation and maintenance as provided for in Chapter 190, Florida Statutes, is hereby imposed and levied on benefitted lands within the District in accordance with Exhibit "B." The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution.

**SECTION 4. COLLECTION.** The collection of the previously levied debt service assessments and operation and maintenance special assessments on platted lots and developed lands shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as set forth in Exhibits "A" and "B." The previously levied debt services assessments and operations and maintenance assessments on undeveloped and unplatted lands will be collected directly by the District in accordance with Florida law, as set forth in Exhibits "A" and "B." Assessments directly collected by the District are due according to the flowing schedule: 50% due no later than November 1, 2024, 25% due no later than February 1, 2025 and 25% due no later than May 1, 2025. In the event that an assessment payment is not made in

accordance with the schedule stated above, such assessment and any future scheduled assessment payments due for Fiscal Year 2025 shall be delinquent and shall accrue penalties and interest in the amount of one percent (1%) per month plus all costs of collection and enforcement, and shall either be enforced pursuant to a foreclosure action, or, at the District's discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. In the event as assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings to collect and enforce the delinquent and remaining assessments. Notwithstanding the foregoing, any assessments which, by operation of law or otherwise, have been accelerated for non-payment, are not certified by this Resolution.

**SECTION 5. CERTIFICATION OF ASSESSMENT ROLL.** The District's Assessment Roll, attached to this Resolution as Exhibit "B," is hereby certified. That portion of the District's Assessment Roll which includes developed lands and platted lots is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds there from shall be paid to the Old Hickory Community Development District.

**SECTION 6. ASSESSMENT ROLL AMENDMENT.** The District Manager shall keep appraised of all updates made to the County property roll by Property Appraiser after the date of this Resolution, and shall amend the District's Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates to the tax roll in the District records.

**SECTION 7. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

**SECTION 8. EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board of Supervisors of the Old Hickory Community Development District.

**PASSED AND ADOPTED** this 19<sup>th</sup> day of August, 2024.

## **Memorandum**

To: Board of Supervisors

From: District Management

Date: June 11, 2024

**RE:** HB7013 – Special Districts Performance Measures and Standards

To enhance accountability and transparency, new regulations were established for all special districts, by the Florida Legislature, during their 2024 legislative session. Starting on October 1, 2024, or by the end of the first full fiscal year after its creation (whichever comes later), each special district must establish goals and objectives for each program and activity, as well as develop performance measures and standards to assess the achievement of these goals and objectives. Additionally, by December 1 each year (initial report due on December 1, 2025), each special district is required to publish an annual report on its website, detailing the goals and objectives that were not achieved.

District Management has identified the following key categories to focus on for Fiscal Year 2025 and develop statutorily compliant goals for each:

- Community Communication and Engagement
- Infrastructure and Facilities Maintenance
- Financial Transparency and Accountability

Additionally, special districts must provide an annual reporting form to share with the public that reflects whether the goals & objectives were met for the year. District Management has streamlined these requirements into a single document that meets both the statutory requirements for goal/objective setting and annual reporting.

The proposed goals/objectives and the annual reporting form are attached as exhibit A to this memo. District Management recommends that the Board of Supervisors adopt these goals and objectives to maintain compliance with HB7013 and further enhance their commitment to the accountability and transparency of the District.

**Exhibit A:** Goals, Objectives and Annual Reporting Form

## Old Hickory Community Development District Performance Measures/Standards & Annual Reporting Form

October 1, 2024 – September 30, 2025

## **1. Community Communication and Engagement**

## **Goal 1.1: Public Meetings Compliance**

**Objective:** Hold at least three regular Board of Supervisor meetings per year to conduct CDD related business and discuss community needs.

**Measurement:** Number of public board meetings held annually as evidenced by meeting minutes and legal advertisements.

**Standard:** A minimum of three board meetings were held during the Fiscal Year. Achieved: Yes  $\Box$  No  $\Box$ 

## **Goal 1.2: Notice of Meetings Compliance**

**Objective:** Provide public notice of meetings in accordance with Florida Statutes, using at least two communication methods.

**Measurement:** Timeliness and method of meeting notices as evidenced by posting to CDD website, publishing in local newspaper and via electronic communication.

**Standard:** 100% of meetings were advertised per Florida statute on at least two mediums (i.e., newspaper, CDD website, electronic communications).

Achieved: Yes 🗆 No 🗆

### **Goal 1.3: Access to Records Compliance**

**Objective:** Ensure that meeting minutes and other public records are readily available and easily accessible to the public by completing monthly CDD website checks.

**Measurement:** Monthly website reviews will be completed to ensure meeting minutes and other public records are up to date as evidenced by District Management's records.

**Standard:** 100% of monthly website checks were completed by District Management.

Achieved: Yes 🗆 No 🗆

## 2. Infrastructure and Facilities Maintenance

## Goal 2.1: Field Management and/or District Management Site Inspections

**Objective:** Field manager and/or district manager will conduct inspections per District Management services agreement to ensure safety and proper functioning of the District's infrastructure.

**Measurement:** Field manager and/or district manager visits were successfully completed per management agreement as evidenced by field manager and/or district manager's reports, notes or other record keeping method.

**Standard:** 100% of site visits were successfully completed as described within district management services agreement

Achieved: Yes 🗆 No 🗆

## **Goal 2.2: District Infrastructure and Facilities Inspections**

**Objective:** District Engineer will conduct an annual inspection of the District's infrastructure and related systems.

**Measurement:** A minimum of one inspection completed per year as evidenced by district engineer's report related to district's infrastructure and related systems.

**Standard:** Minimum of one inspection was completed in the Fiscal Year by the district's engineer.

Achieved: Yes  $\Box$  No  $\Box$ 

## **3. Financial Transparency and Accountability**

## Goal 3.1: Annual Budget Preparation

**Objective:** Prepare and approve the annual proposed budget by June 15 and final budget was adopted by September 30 each year.

**Measurement:** Proposed budget was approved by the Board before June 15 and final budget was adopted by September 30 as evidenced by meeting minutes and budget documents listed on CDD website and/or within district records.

**Standard:** 100% of budget approval & adoption were completed by the statutory deadlines and posted to the CDD website.

Achieved: Yes □ No □

## **Goal 3.2: Financial Reports**

**Objective:** Publish to the CDD website the most recent versions of the following documents: Annual audit, current fiscal year budget with any amendments, and most recent financials within the latest agenda package.

**Measurement:** Annual audit, previous years' budgets, and financials are accessible to the public as evidenced by corresponding documents on the CDD's website.

**Standard:** CDD website contains 100% of the following information: Most recent annual audit, most recent adopted/amended fiscal year budget, and most recent agenda package with updated financials.

Achieved: Yes 🗆 No 🗆

## Goal 3.3: Annual Financial Audit

**Objective:** Conduct an annual independent financial audit per statutory requirements and publish the results to the CDD website for public inspection, and transmit to the State of Florida.

**Measurement:** Timeliness of audit completion and publication as evidenced by meeting minutes showing board approval and annual audit is available on the CDD's website and transmitted to the State of Florida.

**Standard:** Audit was completed by an independent auditing firm per statutory requirements and results were posted to the CDD website and transmitted to the State of Florida.

Achieved: Yes 🗆 No 🗆

## Request for Transfer of Environmental Resource Permit to the Perpetual Operation and Maintenance Entity

Instructions: Complete this form to transfer to the permit to the operation and maintenance entity. This form can be completed concurrently with, or within 30 days of approval of, the As-Built Certification and Request for Conversion to Operation Phase (Form 62-330.310(1)). Please include all documentation required under Section 12.2.1(b) of Applicant's Handbook Volume I (see checklist below). Failure to submit the appropriate final documents will result in the permittee remaining liable for operation and maintenance of the permitted activities.

Permit No.: 49-	02580-P	Application No(s):	181204-1		
Project Name:	Old Hickory			Phase (if applicable):	

A. **Request to Transfer:** The permittee requests that the permit be transferred to the legal entity responsible for operation and praintenance (O&M).

102 R	Rob Bonin, Authorized Agent
Signature of Permittee	Name and Title
Lennar Homes, LLC	6675 Westwood Blvd., 5th Floor
Company Name	Company Address
407-586-4063	Orlando, Fl 32821
Phone/email address	City, State, Zip

B. Agreement for System Operation and Maintenance Responsibility: The below-named legal entity agrees to operate and maintain the works or activities in compliance with all permit conditions and provisions of Chapter 62-330, Florida Administrative Code (F.A.C.) and Applicant's Handbook Volumes I and II.

The operation and maintenance entity does not need to sign this form if it is the same entity that was approved for operation and maintenance in the issued permit.

Authorization for any proposed modification to the permitted activities shall be applied for and obtained prior to conducting such modification.

All	Old Hickory Community Development District
Signature of Representative of O&M Entity	Name of Entity for O&M

## BOARD OF SUPERVISORS MEETING DATES OLD HICKORY COMMUNITY DEVELOPMENT DISTRICT FISCAL YEAR 2025

The Board of Supervisors of the **Old Hickory Community Development District will** hold their regular meetings for Fiscal Year 2025 at 10:00 a.m., or as shortly thereafter as reasonably possible, at the Oasis Club at ChampionsGate, 1520 Oasis Club Blvd., ChampionsGate, FL 33896, on the third Monday of the month, unless otherwise indicated, as follows:

October 21, 2024 November 18, 2024 December 16, 2024 January 20, 2025 (*Date falls on National Holiday – Consider Cancelling/Rescheduling*) February 17, 2025 March 17, 2025 April 21, 2025 May 19, 2025 June 16, 2025 July 21, 2025 August 18, 2025 September 15, 2025

The meetings are open to the public and will be conducted in accordance with the provision of Florida Law for Community Development Districts. The meetings may be continued to a date, time, and place to be specified on the record at the meeting. A copy of the agenda for a particular meeting may be obtained from the District Manager, Governmental Management Services – Central Florida, LLC, 219 E. Livingston Street, Orlando, FL 32801, by calling (407) 841-5524, during normal business hours, or via the District's website at <a href="https://oldhickorycdd.com">https://oldhickorycdd.com</a>.

There may be occasions when one or more Supervisors or staff will participate by speaker telephone. Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations at this meeting because of a disability or physical impairment should contact the District Office at (407) 841-5524 at least 48 hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Office.

A person who decides to appeal any decision made at the meeting with respect to any matter considered at the meeting is advised that person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.
